

About Albury

Albury is a thriving modern city set amid the region's distinctive natural beauty, with the majestic Murray winding through alpine terrain to the east and fertile river plains to the west.

Situated between Sydney and Melbourne it is easily accessible by road, rail and air. The surrounding area provides a wide variety of tourist attractions, including the Rutherglen wineries, the historic goldfield towns of Beechworth and Yackandandah, beautiful alpine regions and the Hume Weir.

The Hume Dam on the Murray River, stocked with many species of fish, including redfin and trout, is a popular attraction, especially for water sports enthusiasts.

Location

The conference will be held at the Lake Hume Resort, a modern conference centre right on Lake Hume. Along with the conference you can enjoy the day & night tennis court, 18-hole mini golf course, table tennis, volleyball, large resort pool with heated spa, sauna and children's playground.

Msgr Philip Reilly

From Brooklyn, NY, Msgr Reilly is one of the pre-eminent pro-lifers of our age - a priest who combines holiness and tenaciousness in the defence of life. He has received awards from around the world but his greatest reward is the conversion of hearts on the streets

outside abortion clinics. Monsignor, the founder and spiritual head of the movement known as the Helpers of God's Precious Infants inspires all who come into contact with him and his work.

Mr Steve Mosher

As an agnostic and pro-choice sociologist undertaking a doctoral thesis at Stanford University, Steve Mosher had a major conversion in 1979 following his ground breaking study of life in a rural Chinese village. His first hand observations of China's one-child policy saw him

denounced by the Chinese Government as a spy and led him to the founder of Human Life International, Fr Paul Marx and to his embracing of the Catholic Faith. He resides in Virginia, USA and is a world renowned expert on population issues and the agencies who, through fear and lies, work to spread the myth of overpopulation.

Most Rev Bishop Julian Porteous

Bishop Porteous is Patron of FLI. He was installed as Auxiliary Bishop of Sydney in 2003 - choosing as his motto, 'Gratia et Veritas'. He served as Rector of the Seminary of the Good Shepherd, Sydney from 2002 to 2008. He has been an advocate

of John Paul II's New Evangelisation and became patron of FLI's 40 Days For Life campaign in 2010.

Sr Moira Debono RSM

Sr Debono completed her doctoral studies in Rome specialising in Sacramental Theology. She has taught at the University of Portland and at St John Vianney Seminary in Denver. Sister is currently a lecturer at the University of Notre Dame, Sydney.

Dr Andrew Foong

Dr Foong has worked as a GP in Sydney since 1990. Andrew is a past teacher of Theology of the Body at the Catholic Adult Education Centre and has a special interest in NaproTechnology.

Fr Gregory Jordan

Fr Gregory Jordan is Chaplain to the Australian Catholic Students Association and to the Medical Guild of St Luke, Brisbane. He was formerly Headmaster of Jesuit schools in Sydney and Rector of university colleges in Hobart and Brisbane.

Rev Dr Peter Joseph

Fr Joseph completed his Doctorate in Theology at Gregorian University, Rome. He lectures at Vianney College and currently serves as parish priest of St Dominic's, Flemington, Sydney.

Mr Eamonn Keane

Eamonn Keane is a school teacher and is currently the head of social sciences at Redfield College, Dural. He has given lectures and published books and magazine articles on various aspects of Catholic faith throughout Australia and overseas.

Dr Deirdre Little

Dr Little is a practising Obstetrician and Gynaecologist. Deirdre has written various articles and given presentations on the important area of prenatal screening and the associated moral issues.

Rev Dr Peter Murphy

Fr Murphy completed his Doctorate in Moral Theology in Rome whilst working for the Holy See. He is a lecturer in Moral Theology at Vianney College and is currently Parish Priest of Holy Spirit Parish, Lavington.

Fr Terence Mary Naughtin

Fr Terence Mary Naughtin is a Conventual Franciscan Friar and an experienced public speaker. He has a particular interest in the relationship between the sanctity of life and the worship of God.

Dr John Obeid

Dr Obeid is a Senior Staff Specialist in Geriatric Medicine and Stroke at Blacktown. His special interests are delirium, dementia, stroke and Parkinson's disease. He is passionate about improving the quality of care given to older people and promoting the rights and dignity of the aged.

Dr Wanda Skowronska

Dr Wanda Skowronska is a registered psychologist and has experience with pregnancy and post-abortion counselling. She is guest lecturer at the John Paul II Institute in Melbourne. Wanda's special pro-life focus is spiritual adoption of the unborn.

defending the defenceless...

Defending the sanctity of life is the defining struggle of our times.

Protecting life is written deep into everyone's being and a multitude of souls are ripe for an opportunity for this seed to flourish. We are the people who must strip away the rhetoric from the pro-death 'newspeak' and let the light of truth call to those in darkness.

This conference is a unique opportunity to combine education, inspiration and fellowship with local and international pro-life heroes. We are very excited to welcome one of the unborn child's greatest advocates, Msgr Philip Reilly, founder of The Helpers of God's Precious Infants, (a prayerful, loving response to the crisis of abortion) and also Mr Steve Mosher, founder of the Population Research Institute, who is in the forefront of exposing human rights abuses in population control programs.

Host city Albury, is becoming known as the town that took on the abortion industry. Here, pro-life has become high profile with much media, police and public interest. Regular speakers, workshops, processions and weekly vigils attract a growing band of committed agents of change.

If staying at the Lake Hume Resort, attendee's children (15 years or younger) are eligible for free lunch, dinner and activities.
