An Invitation

Mr Paul Hanrahan, Executive Director and the Board of Directors have great pleasure in inviting you to the

2013 Family Life International Board of Advisors Gala Dinner to be held at
Canterbury Leagues Club, Sydney in the Blueberry Hill Room on **Saturday 30 Nov 2013**
 Pre-dinner drinks with Cory Bernardi from 6:30pm
 Dinner 7:00pm

This is an opportunity for FLI supporters to meet many of our Board of Advisors as well as listen to

Keynote Speaker - Senator Cory Bernardi who has been described as “an unapologetic advocate for conservative causes”. Senator Bernardi will speak on: **“The True Cost of our Cultural Decline”**.

The evening will also include a performance by the **Mother of Divine Mercy Refuge Youth Choir** from New Zealand.

Keynote Speaker Senator Cory Bernardi

Since entering the Senate in 2006, Cory Bernardi has been a leading conservative voice in Australian politics. His unapologetic defence of traditional values has led some to see him as controversial; but his views often reveal a prescient understanding of the issues facing the nation. Cory states that his views are just common sense, reflecting the concerns of mainstream Australians.

Cory’s fight for our freedoms has seen him speak up for stronger families and against encroaching political correctness and the nanny state agenda.

At the peak of the global warming hysteria, Cory stood firm and helped lead the Coalition in a new direction against emissions trading.

He has been a steadfast advocate for preserving Australian culture and its institutions, at times an unpopular view in this era of left-wing cultural relativism.

In a political world where the public crave honesty and openness from their representatives, Cory’s direct and straightforward approach offers a refreshing change within the battle of ideas.
