

# PRO-LIFE PRAYER TO ST GIANNA BERETTA MOLLA

**Feast Day 28th April**

*Patron Saint of mothers, physicians, and unborn children*

***Lord God,***

Through your Son Jesus Christ

You have destroyed death

And have made us the People of Life.

We thank you for the example of the saints

Whose lives reflect your own holiness

And the profound dignity of human life.

Thank you in particular for the example  
of Saint Gianna Beretta Molla.

She is truly a saint for our times,

Whom you called from this world just 50 years ago.

Thank you for her example of being a loving wife,

A devoted mother, a caring physician,

And a woman of Catholic action.

Thank you for the crowning act of her life,

By which she sacrificed her life for that of her child.

May her example inspire all of us

To lay down our lives for one another,

Especially for our unborn brothers and sisters,

And hence to both discover and proclaim

The very meaning of love.

We pray through Christ our Lord. Amen.

*St Gianna Molla, pray for us!*

*Pray for all mothers and their unborn children.*

*Beg from God the grace for us all to build a culture of life. Amen!*
